

Increaser/ Reducer - Plastic; 4" to 3"(10.1 to 7.6cm)

IRB43

Model No.	Description	Color
IRB43	plastic increaser/ reducer	White

### Performance Data

for plastic increaser/ reducer

#### Materials

- polypropylene white
- melting temperature : 325°F/ 163 C

### General Information

- designed to transition 4" & 3" diameter
- duct slips over increaser/ reducer easily
- attach clamps (not included) over duct and the increaser/ reducer to complete connection
